

STAY SAFE ONLINE!

DIGITAL SAFETY TIPS FOR STUDENTS

1. Protect Your Personal Data

- Don't share personal information (full name, address, phone number, school...)
- Use strong passwords and never share them
- Log out from shared devices

2. Think before you share

- Everything you post leaves a digital footprint
- Ask yourself: *Is it safe? Is it respectful?*
- Avoid sharing photos or information about others without permission

3. Respect Digital Rights

- Don't copy content → avoid plagiarism
- Always credit sources (images, texts, videos)
- Use free and legal resources (Creative Commons)

4. Use Technology Responsibly

- Use tools (including AI) in an ethical way
- Don't present others' work as your own
- Be honest in your digital productions

5. Stay Safe from Risks

- Don't open unknown links or messages
- Report cyberbullying or inappropriate content
- Block and report suspicious users

6. Be a Good Digital Citizen

- Be respectful in comments and messages
- Help others use technology safely
- Think before you act online
